

Dynomite

Date: 2005

Design: James Clar

Dimensions: 10 x 35.5 x 10cm (each bar)

See video in Retail Trends Presentation

Dynomite is a series of audio interactive, tri-colour bars that pulse and change colour in rhythm with the music. Each bar has its own set of controls allowing the users to individually tune the colour, animation, and sensitivity, creating a multitude of combinations and effects.
